The Forest of S.T. Shrew	9. Planet Diversity	10. Charting Diversity	11. Can It Be Real?	12. Invasive Species	13. We All Need Trees	14. Renewable or Not?	15. A Few of My Favorite Things	16. Pass the Plants, Please	17. People of the Forest	18. Tale of the Sun
Michigan Grade Level Content Expectations – Science																		
X = Addresses/Supports																		
GRADE 2																		
S.IP.E.1 Inquiry involves generating questions, conducting investigations, and developing solutions to problems through reasoning and observation.																		
S.IP.02.11 Make purposeful observation of the natural world using the appropriate senses.	X	X	X	X		X						X		X	X			
S.IP.02.12 Generate questions based on observations.	X	X	X	X		X						X		X	X			
S.IP.02.13 Plan and conduct simple investigations.																		
S.IP.02.14 Manipulate simple tools (ruler, meter stick, measuring cups, hand lens, thermometer, balance) that aid observation and data collection.	X			X														
S.IP.02.15 Make accurate measurements with appropriate units (meter, centimeter) for the measurement tool.				X														
S.IP.02.16 Construct simple charts and graphs from data and observations.				X												X		
S.IA.E.1 Inquiry includes an analysis and presentation of findings that lead to future questions, research, and investigations.																		
S.IA.02.12 Share ideas about science through purposeful conversation.	X	X	X	X		X		X				X		X	X			X
S.IA.02.13 Communicate and present findings of observations.	X	X	X	X		X		X				X		X	X			
S.IA.02.14 Develop strategies and skills for information gathering and problem solving (books, internet, ask an expert, observation, investigation, technology tools).	X	X		X									X	X	X			X
